

## TERMLY INFORMATION SHEETS

On the next four pages of this newsletter you will find our termly information sheets for each year group. These contain contact details, information about PE days, what to do if you have a concern, information about what the children will be learning (including homework) and more. If you are able to, it is worth printing this off and sticking it on your fridge, or wherever you keep such things! It is a useful document to refer to.

## DRIVING TO SCHOOL

Please note that unless you have an arrangement with school for a specific reason, you should not be driving onto the school site under any circumstances. Please use the pedestrian entrance and drop off and collect your child from the playground.

## SCHOOL UNIFORM AND RELIGIOUS ITEMS

Our school uniform states that, other than one pair of stud earrings and a watch, children should not come to school with any jewellery. However, we are aware that some children like to wear items of religious significance. If this is the case for your child, please send a request via email to [m.smart@beechesjnr.bham.sch.uk](mailto:m.smart@beechesjnr.bham.sch.uk)

We are aware that, currently, some children are wearing "rakhi" wrist threads. That is fine - we understand that these are important and they are temporary, and you don't need to send an email about these. Please note that school will not take responsibility for any loss or damage to these or any items brought into school, and that, for safety reasons, children will not be allowed to take part in any climbing activity (including using the climbing frame in PE) while wearing these. Thank you for your support.

## PUPIL PREMIUM SUBSIDIES

We have been asked by some parents and carers whether we can subsidise educational visits for our Pupil Premium-eligible children. At present, we don't do this for day visits. We review our Pupil Premium spending each year, and unfortunately, there are limits on what we can do with the money. We do subsidise residential visits and after school activities. You can find out more about how we spend the money here:

<https://www.beechesjnr.bham.sch.uk/about-us/statutory-information>

## COATS

Please make sure your child brings a coat to school every day, even if it is bright and sunny in the morning. We have had a couple of rainy days this week and numerous children without coats. Please also ensure your child's name is in the coat.

## WOODLANDS

Following feedback from parents and carers and difficulty in filling the spaces in previous years, we have decided that we won't be taking Year 4 on a residential trip to Woodlands this year. We understand that this may be disappointing to some, but instead, we will be taking Year 4 for a day trip to Woodlands on April 16th 2024 to take part in the activities they would do on the residential. The children take part in four activities such as canoeing, climbing and zip wire. To enable this to go ahead, we will be asking for a payment of £45 per child with a reduction available for Pupil Premium-eligible children. A letter has gone out to Year 4 children today.

## YEAR 4 VISIT TO LUNT FORT

Alexis and Saidan (4F) have written about Year 4's day out this week:

*On Monday, 4F and half of 4L went to the Roman Lunt Fort, and 4B and the rest of 4L went on Thursday. We practised fighting gently with wooden swords and shields and we pretended to be Romans in the battle circle. We saw rocks, grass, trees, sand and lots of the Romans' belongings and buildings. We felt a bit nervous at first, but it was a lot of fun!*

## OPPORTUNITIES OUTSIDE SCHOOL

A number of organisations have approached us and asked us to give out leaflets about their activities outside of school. We are happy to do this because we know how much our children's lives can be enriched by taking part in all sorts of activities. You can find the fliers on the subsequent pages of this newsletter. However, please note, these are not Beeches Junior School activities and we do not make any guarantees about their quality or safety. We encourage you to carry out your own due diligence, particularly around safeguarding.

Dear Parents,

I am pleased to inform you that, due to the huge success of our football courses over the last **22 years**, we are following up the football coaching programme for the season starting in September 2023. The course will run for approximately 12 weeks and the programme is for boys and girls aged between 4 and 12.

### About our Course

- The unique practice techniques are specifically designed to work with children of all abilities, ranging from the absolute beginner to the more advanced player.
- The course is run by **F.A qualified coaches**, who are **DBS** checked, and hold an advanced premier skills qualification, they are currently working with children, enabling them to learn essential football techniques, building **CONFIDENCE**, improving **FITNESS** and providing the most important ingredient **FUN!**
- Children will be fully supervised at all times, although parents are welcome to stay and watch.
- Each child will be provided with a football for individual practice and their progress will be recorded each week.
- It is an **outdoor** course, held on grass pitches, so children should wear trainers or football boots and dress according to weather.
- **Ex Premier League Birmingham City, West Bromwich Albion and Fulham player Geoff Horsfield** quotes, "I've coached on these courses with the team and they are fantastic in the way they deliver their coaching sessions!"
- **Ex England World Cup star and Sky Sports pundit Paul Merson** quotes, "I have presented trophies to the children on these courses and it's great to see the smiles on their faces and sense of achievement!"

### Presentation of trophies and award

- Children also have a chance to win many other special individual awards and trophies for various skills, including '**premier league**' and '**penalty shoot out**' competitions.
- Parents and friends are most welcome to attend the presentation and watch the children being presented with their awards, as this encourages a fantastic atmosphere.

The cost of the course is £7.50 per week; payment is made every 4 weeks with the first payment of £30 due on week 1. **Please Note:** Places are limited, therefore bookings will be taken on a first come, first served basis.
