SUPPORT OVER THE HOLIDAY

As we reach the end of another year and we aim to have a safe, restful summer break, we understand that there are sometimes factors that can make this difficult. Therefore, we wanted to remind you all that despite school being closed, there is still support available to our families, should it be needed. We have reviewed our website to reflect this support, which covers everything from financial difficulties, to support for those struggling with ill mental health. There is also a reminder of how you can protect your child from the dangers of being online. The page can be found here:

END OF TERM

Today is the last day of the school year for children. It's been a brilliant year, with so much achieved and so many happy memories made. For most of you, it's just ta-ra for now and we'll see you in September! We hope you have a brilliant few weeks full of fun and adventure and happy family time. Please make sure your child fits in some reading along the way; it doesn't matter what it is - fiction, non-fiction, books, newspapers, magazines, comics, football programmes, recipes, instructions or whatever takes your child's interest - but please make sure they are reading regularly. Thank you for your support throughout the year, and we look forward to doing it all again when we come back on **Wednesday 6th September**.

To our Year 6 families... what a super bunch of children our Year 6s have been. We are proud to be sending them to their secondary schools as alumni of Beeches Junior School. Wherever they go, whatever they do, they are part of our family and they leave behind a legacy of hard work, laughter and kindness. They will be missed enormously, but we look forward to hearing news of their adventures in the years ahead. To those of you that have younger children here, we look forward to working with you again in the future. But for some of you, this is the end of the Beeches phase of your lives. Thank you for all the support, patience, kindness and occasional suggestions that we've got something wrong somewhere! A common question among people considering applying for jobs here is how supportive the parents and carers are, and we are always proud to say that we enjoy tremendous support. Our very best wishes for the future to all of you.

FOND FAREWELLS!

As you will know by now, a few members of staff are leaving us. Miss Abraham, Mr Ali, Mrs Barker, Miss Butt and Mrs Colling are all moving onto new adventures new after a combined 62 years' service to our school. We are so grateful for their immense contributions to our school, and we wish them all the very best for the future. We have appointed a number of new colleagues, some of whom the children have met, and we look forward to introducing them all in September. We are also saying ta-ra for now to Mrs Grant, who is leaving to start her maternity leave, and Miss Parsons will be Mrs Frost when we return in September. We wish the Grants and the Frosts-to-be all the very best for their upcoming life events!
